Description

Get the best of both worlds with the Catit Design SmartSift Litter Box. It's a self-cleaning litter box that automatically sifts and separates clumps of litter from the rest of the litter. This means you can enjoy the convenience of a self-cleaning litter box without the hassle of scooping. The SmartSift Litter Box is the perfect solution for busy pet owners who want to keep their cats' litter boxes clean and fresh.

- Self-cleaning litter box
- Automatic sifting and separation of clumps
- Easy to clean and maintain
- Suitable for cats and dogs
- Available in white and grey
